### Conditions of Addendum 1

Bidders are hereby instructed to review and acknowledge the following changes, corrections, clarifications, additions, deletions, and approvals made to the Contract Bid and Construction Documents.

Addendum No. 1 is considered an integral part of the Contract Bid and Construction Documents and shall govern the performance of all work related to the project. This addendum consists of 1 pages and includes no attachments.

### Purpose of this Addendum:

This addendum is issued to address the following:

Addition of water service line bid items and quantities.

Storm sewer installation may require removal and replacement of water service lines. This addendum adds bid items and estimated quantities in case the situation arises where removal and replacement are necessary. If not necessary, quantities will be underrun.

Bidders are required to acknowledge receipt of this addendum in their bid proposal. Failure to do so may render the proposal non-responsive. Bidders must upload the signed addendum with their bid submission.
