Question #	Type One Question per line Below		
Example Q1	How many inches in one foot?		
Example A1:	12 inches		
Q1.	Is there any flexibility in the start/completion date of this project?		
A1.	The Contractor should expect to begin construction as soon as the contract is processed and approved. In the event that this extends beyond the designated start date in the project manual, the start and completion dates will be adjusted accordingly.
