Date:	Monday, May 4, 2026		
Event Number:	Bid 48 2026 Street Project & Storm Inlet Repl Pjt SW 42nd east of SW Martin 841099.04, 501125.04		
Question #	Type One Question per line Below		
Example Q1	How many inches in one foot?		
Example A1:	12 inches		
Q1.	Will you send out an updated bid holders list before this job bids May 5th?		
A1.	Plan Holder Lists are updated as they come in. Bid 48 Plan Holder List Form as of May 1, 2026 is current.		
Q2.	The 312 CY of unclassified excavation covers a 2.75" cut, which is the difference between existing 7.25" PCCP and proposed 10" PCCP. The aggregate base course bid item is 1452 tons of AB-3, which is 6" of imported AB-3. We need to cut 6" of dirt down to place the 6" of AB-3. This is approximately 720 CY extra spoilage which is not in the unclassified excavation bid item. Will this difference in excavation be subsidiary to the aggregate base course bid item, or overrun the unclassified excavation bid item?		
A2.	Yes, the unclassified excavation will paid only for the differenece in pavement thickness. All the excavation needed for subgrade & installation and compaction of approved materials shall be considered subsidiary to other bid items of the contract.
